COVID-19 COMMUNITY RESOURCE DIRECTORY

**Southern Seven Health Department

Ullin, IL 62992
(618) 634-2297**

Dear Residents of the Southern Seven Counties:

While we are going through the COVID-19 pandemic, we want you to remember to stay safe. With this in mind, we would like to provide you community resources available within your county and adjoining counties. The community resources information provided includes: emergency numbers, educational services, government agency information, and health services.

This directory was adapted from the S7HD Head Start/Early Head Start Community Resource Directory to assist families and individuals in the southern counties of Illinois (Alexander, Hardin, Johnson, Massac, Pope, Pulaski and Union). Please take a few moments to read through the directory. You might be surprised to find that some agencies offer services other than those their names imply.

Information in this directory has been updated prior to the time of publication. We hope this booklet will be of use to you. If further information or assistance is needed, please feel free to contact Contact Tracing Resource Coordinators at 618 634-2297
