Free services available on the WOW Van include NARCAN training, blood pressure check, home colorectal cancer tests (FIT), medication disposal packets, COVID test kits, and condoms.

Charged services available include blood lead, hemoglobin and cholesterol screenings, STD tests (including chlamydia, gonorrhea, and syphilis), HIV, pregnancy, and TB skin tests, TD/Tdap shots for adults, Well Water tests, and Hereditary Genetic Cancer Testing. Charged services, excluding a Well Water test, require a health insurance card. All services, both free and charged, will be offered while available on day of service.

Flu shots will be provided to patients based on vaccine availability the day of the clinic and while supplies last. Health insurance cards are required. Those requesting a COVID booster should contact their local Southern 7 public health clinic for details.

Through a grant funded by the Illinois Department of Public Health (IDPH), S7HD provides many healthcare services through IDPH Wellness on Wheels (WOW) Van Clinics. The WOW Van rotates throughout high, health-risk communities each Wednesday in the lower seven counties in Illinois.

The WOW Van, a multi-disciplinary mobile unit, is available to S7HD through a partnership with IDPH to provide health screenings and other services. IDPH partners with health agencies and hospitals to provide staff and services on the WOW Van at sites where people can come for medical services.

No appointment is needed for services. Walk-ins are welcome. Clinic dates, times, and available services are subject to change without notice. For more information, and future outreach events for the WOW Van program through Southern 7 Health Department, contact Shawna Rhine at 618-634-2297 ex.971161 or visit Southern 7 on Facebook, Instagram, X, through the Southern 7 app, and at www.southern7.org.
